LITTLE LEARNERS PRESCHOOL

2021 Preschool Graduation!

Hello Parents of our future kindergarteners!

We're preparing for our graduation for all students moving on to kindergarten this fall! It will be a chance for us to highlight our students and show some of the things we have learned this year. We are so excited to celebrate our graduates!

This year's graduation will take place in-person at the school. **Each graduate will be able to invite 2 VIP guests to join them on this special day.** We will be offering a professional recording our Graduation for purchase. [CLICK HERE](#) to pre-order a download of the ceremony so you can share this special experience with your family and friends.

Let us know if we have mistakenly left your child off this list, added a child that isn't starting kindergarten, or spelled a name wrong. We don't want anyone to be forgotten! Email us if you happen to see an error. info@littlelearnersutah.com

Parents that signed up to help at graduation have been contacted with their assignment. If you would like to be added to our committee, please email us! info@littlelearnersutah.com
